PRESS RELEASE

June 2010

New Nauticat Yachts From Finland

Reliance Yacht Management is pleased to announce that they have been chosen to undertake quality control and deliveries of a fleet of Nauticat yachts from Turku, Finland.

The first contract from from the yard will be in July, to take a new Nauticat 515 to Croatia where it will handed over to its proud owner. Other new yachts will be delivered to dealers and owners in the Eastern Mediterranean. Reliance serves the same dealers in Europe providing Quality Control, and deliveries of various brands including Beneteau, Jeanneau and Lagoon Catamarans.

"We are delighted with this news." says Nick Irving. *"We have shown to our clients that we are capable of undertaking the QC and logistics of moving yachts in all parts of the world. Our corporate clients are no longer restricted to the limited choice of local suppliers but can have a well coordinated global policy with a continuity of service from a single professional supplier."*

The exclusive agreement with the dealers is the latest in a number of corporate contracts awarded to Reliance that it is hoped signals an upturn in the new yacht market.

The company has been well known in the Mediterranean for many years but its greater operational experience is in US, Caribbean and South Africa. Reliance has become the leading yacht delivery and logistics company with many of the world's top dealers, manufactures and charter operators utilising their services to enhance their own performance and efficiency.
