

PRESS RELEASE

September 2008

Reliance Wins Contract to Move Defence Boats

Leading UK-based logistics and delivery specialists, Reliance Yacht Management are pleased to announce that they have been delivering Ministry of Defence Police launches.

Says Nick Irving: Managing Director of Reliance: "We are obviously proud that we have been entrusted with such a prestigious role and able to provide valuable support to the Services. "

The support provided by Reliance Yacht Management includes the transfer of various vessels to and from UK civilian contractors undertaking repairs and refits for the Ministry of Defence.
