

PRESS RELEASE

January 2006

US Company Recommends Reliance

The Multihull Company Recommends Reliance Yacht Services to their clients.

Phil Berman, President of the Multihull Company confirmed on the 5 Jan that Reliance will be the preferred delivery company for their Dolphin range of catamarans built in Brazil.

Clients of Multihull Company will benefit from a range of services provided by Reliance, including **Quality Control** and warranty services ensuring that clients get a very high standard of finish and all systems are in good order before they take delivery.

Highly experienced catamaran captains will be available to new owners to provide a **Handover and Orientation**, helping them to enjoy and get the best from their yacht.

For those owners not wishing to accompany their yacht on delivery they will be able to follow its progress live on the internet using the **Satellite Tracking system**.

Reliance has become the leading yacht delivery and logistics company with many of the world's top dealers, manufactures and charter operators utilising their services to enhance their own performance and efficiency. Reliance is able to provide logistical support, quality control measures and deliveries worldwide. Multihull Company will join a list prestigious list of corporate customers that include The Moorings, Sunsail, The Catamaran Company, Horizon Yacht Charters and Oyster yachts.

Reliance is third party certified **ISO9001** for quality management systems.
