QUALITY AWARD FOR RELIANCE YACHT SERVICES

Following an assessment by an independent body Reliance has been awarded ISO 9001 Certification. This prestigious award for quality is supported by European Governments and recognised worldwide.

The award recognises Reliance's commitment to an exceptional quality of service. With only around 3% of UK business holding this certificate Reliance is now at the forefront of quality service and customer care.

Said a delighted Nick Irving "We have always been proud of the service we offer our clients. Now with the award of ISO 9001, independent experts in quality assessment have confirmed this.

A spokesman for the organisation that undertook the assessment paid particular tribute to the "investment in people and training that enables Reliance to provide efficient services to their clients."
