

PRESS RELEASE

December 2007

Reliance Yacht Management forms partnership with boats.com

We are pleased to announce that we have partnered with boats.com, the Internet's premier site for all things boating.

This partnership will give customers from both boats.com and yachtworld.com access to the world's leading yacht transport provider.

Boats.com serves over 2.5 million unique users and 4 million visitors per month. Combine this with Reliance Yacht Management's current stats and there are bound to be many happy boat owners and dealers pleased to benefit from our fantastic services.

E-mail info@reliance-yachts.com for more information.
